

Friday A.M.
Dearest Mother & Daddy:
We are
our second morning in our new
home. The Lord has blessed our
going up a church & protesting
us & meeting our needs in
the move. Two men were sent by
the church here to move us & a
number more came to help unpack
& place things. Two stout young
women came to help unpack, wash
dishes, etc. How I need them, too!
I am so grateful. Sometimes I
quite am down & need instruction.
The brethren plan to go for the
calf & cow next week unless we de-
cide to sell her. A Harrison man
said he took the two for \$100.
Trust you are both well. Hope you
had that good vacation in Tennessee by
now. I had not time to tell you all of the kids.
I wish I could see you all.
Dearest & Love & Blessings to all.
